Email :

Please indicate the type of data, the period and area of interest, as well as the purpose for which the data will be used:

Notification Regarding the Data

1. EFFIS is being developed in collaboration with the EU Member States (mainly Forest and Civil Protection services represented in the EFFIS Expert Group on Forest Fires). The JRC, on behalf of the Commission and the EFFIS Expert Group on Forest Fires, does not accept any liability whatsoever for any error, missing data or omissions in the data, or for any loss or damage arising from its use. The JRC, on behalf of the Commission, agrees to provide the data free of charge but is not bound to justify the content and values contained in the databases.
2. The user agrees to:
 - a) To use the data solely for non-commercial purposes.
 - b) Make proper reference (*) to the European Forest Fire Information System (EFFIS) when disseminating the results to which this agreement relates;
 - c) Participate in the verification of the data (e.g. by noting and reporting to the JRC any errors or omissions discovered).
 - d) Use the data solely for the purpose of the present agreement.
 - e) Send a copy of any publications that will be partly or entirely based on the provided data.
 - f) Do not disseminate to any other person or organization the data received under this agreement.

(*) It is required that any publication resulting from the use of the data provided includes the following:

- Acknowledgement: Data were provided by the European Forest Fire Information System – EFFIS (<http://effis.jrc.ec.europa.eu>) of the European Commission Joint Research Centre.

- Reference: European Commission, 2010, Forest Fires in Europe 2009, EUR 24502 EN, Office for Official Publications of the European Communities, Luxembourg. p. 81.
